International Studies Majors Study Abroad

Fulfill 2nd Year Language courses:

Fulfill Regional Studies courses:

- Scholarships and Financial Aid are available.
- Many EAP programs' costs are similar to the equivalent period of time at UCI. Detailed budgets are on the web at: www.eap.ucop.edu

"If [students] have any interest in international learning at all or just want to try something new and challenging, Go! I can honestly say that the benefits outweigh the cost, especially during this era of increasing internationalization, where few things in our lives are not affected by other actors in the international arena in some way. For many of us, this may be the only opportunity we will get to study/work abroad."
