Psychology Majors
Study Abroad

- Scholarships and Financial Aid are available.
- Apply for the Gilman International Scholarship if you are eligible for a Federal Pell Grant.
- Many EAP programs’ costs are similar to the equivalent period of time at UCI. Detailed budgets are on the web at: www.eap.ucop.edu

“I can truly say that studying abroad as a psychology major was the highlight of my four years as an undergraduate student. Studying abroad allows you to view the world through various perspectives and meet individuals with diverse backgrounds from all over the world. There is nothing else I can think of that you can learn and take more out of as an undergrad.”
