

**UCI Center for
International Education**

- Scholarships and Financial Aid are available.
- Many EAP programs' costs are similar to the equivalent period of time at UCI. Detailed budgets are on the web at:
www.eap.ucop.edu

"The forces of globalization are fundamentally changing society in the twenty-first century. Study abroad helps sociology students to view these changes with new eyes, see how we fit into an increasingly interconnected world, and helps them make sense of changes in our own society. EAP will broaden your perspective and also make you more attractive to graduate programs and employers in a globalized world!"

David A. Smith
Professor of Sociology
